

# Snakeface

## Throwing Muses

Not another drive-in movie  
You know you can't sit still  
Move meSnake, snake  
Face out an open window  
Water in my eyes, beat me to it  
Meet me here next timeOne more button undone  
You talk too loud, I'm talking to you  
Talk it into the ground  
Move meSnake, snake  
Face out an open window  
Fire in my eyes, beat me to it  
Meet me here next time
