

# Love Remains

Collin Raye

We are born, one fine day  
Children of God, on our way  
Momma smiles, and Daddy cries  
Miracle, before their eyes  
They protect us, till we're of age  
And through it all, Love remains  
Boy moves on, he takes a bride  
She stands faithful, by his side  
Tears and sweat, they build a home  
And raise a family of their own  
They share joy, and they share pain  
And through it all, Love remains  
Kingdoms come and go, but they don't last  
Before we know, the future is the past  
In spite of what's been lost or what's been gained  
We are living proof that love remains  
I don't know, baby what I'd do  
On this Earth, without you  
We all live, and we all die  
But the end is not good-bye  
The sun comes up, and seasons change  
And through it all, Love remains  
An eternal burning flame,  
Hope lives on,  
And Love Remains
