

Diabolical Possession

Belphegor

Oh, unholy wings of death
Ceremony of darkness
Feel the kisses of the whip
Carnal excess - evocation is done Diabolical possession
Wrapped in blasphemy
Diabolical possession
Deny christian slave morality Adore my mighty sin
Drown the host in excrements
Immortality of dark desire
Adore my mighty sin
In the sing of the antichrist
Immortality of dark desire Defecate on the altar of lies
Spoil the back of the goat
Voluptuosly vaginal explosions
Premature embryos - dancing in fire Diabolical possession
Wrapped in blasphemy
Diabolical possession
Deny christian slave morality Adore my mighty sin
Drown the host in excrements
Immortality of dark desire
Adore my mighty sin
In the sing of the antichrist
Immortality of dark desire Crucified image of god
Extreme unction nears
