

Love Is Worth the Blues

West, Bruce & Laing

All the pain of loving
come to set me free.
Even cheated lovers
turn their backs on me.
I know that love is worth the blues. (2X)

At the Chelsea barroom
I can pass away
all of the lovesick feelings
that I've had each day.
I know that love is worth the blues. (2X)

When you're by my bedside
looking in my eyes
nothing seems to matter.
Take me by surprise.
I know that love is worth the blues. (2X)
