

Kiss Me, Kill Me

Mest

One, two, threeA tragedy that's built on destiny
It left you with everything
But blood from the knife
That I cut your heart out withNow relax, close your eyes
What comes next is the surpriseThis valentine is doomed
The smell of blood has filled this room
If I could do it all again
I would change most every single thingI would let youKiss me, kill me
Your kiss is torture
But killing me would be too easyOur tragedy seems to be killing everything
It sees like death itselfThis valentine still looms
In the darkest hour, the killing moon
If I could do it all againI would let youKiss me, kill me
Your kiss is torture
But killing me would be too easyKiss me
(You're all I'm wanting)
Kill me
(This feeling's haunting)
Your kiss is torture
But killing me would be too easy
Killing me would be too easyYour eyes unwind the tragedy of our lives
My eyes went blind, believe when I say
Hell burns bright when this night dies
Hell burns brightKiss me, kill me
Your kiss is torture
But killing me would be too easyKiss me
(You're all I'm wanting)
Kill me
(This feeling's haunting)
Your kiss is torture
But killing me would be too easyKiss me
(You're all I'm wanting)
Kill me
(This feeling's haunting)
Your kiss is torture
But killing me would be too easy
Killing me would be too easyToo easy, too easy, too easy, too easy
