Mutual Core

BjÃ¶rk

I shuffle around
The tectonic plates in my chest
You know I gave it all
Trying to match our continents
To change seasonal shift
To form a mutual core

As fast as your fingernail grows
The Atlantic ridge shifts
To counteract distance
You know I gave it all
Can you hear the effort
Of the magnetic strife?
Shuffling of columns
To form a mutual core

This eruption undoes stagnation
You didn't know that I had it in me
Withheld your love, an unspent capsule
I didn't know you had it in you
You hid the key to our continuity
I didn't know you had it in you
This eruption undoes stagnation
You didn't know, you didn't know

What you resist persists
Nuance makes heat
To counteract distance
I know you gave it all
Offered me harmony
If things were done your way
My Eurasian plate subsumed
Forming a mutual core

This eruption undoes stagnation
You didn't know I had it in me
Withheld your love, an unspent capsule
I didn't know you had it in you

This eruption undoes stagnation

You didn't know I had it in me
This eruption undoes stagnation
You didn't know, you didn't know
