

Gangsta Sexy

Hollywood Undead

Gangsta
Gangsta
So gangstaGangsta
Got my diamond earrings
Gangsta
Gonna turn you onSo gangsta
'Cause I want sexy
And I'm packin' heat
So don't disrespect meI love it when the DJ throws my song on
I hit the dance floor and get my sing along on
I love to spit the choruses when I'm on one
My c-walks too hot, I done ripped my Sean JeanSmellin' so fly, I got the Hugo Boss on
You got the type of booty I'd like to put my paws on
We can roll in the Fiesta, just to get our floss on
I got the speakers bumpin' straight, bangin' the Thong SongGot my hair did, got my shit braided up
Rollin' with Funny Man and he's breakin' a blunt
Snatch it outta his hand and now I'm blazin' it up
Took another sip of Henny, now I'm faded as fuckYo Charlie Scene, tell me where you got them shades at?
You know I've had this OG style since way back
Sittin' in VIP blowin' trees I'm layed back
This bitch is gonna be another notch in my wave capGangsta
Got my diamond earrings
Gangsta
Gonna turn you onSo gangsta
'Cause I want sexy
And I'm gonna beat it up
If you let meGangsta
Diamonds all up on me
Gangsta
Gonna turn you onSo gangsta
'Cause I want sexy
And I'm packin' heat
So don't disrespect meI'm just so damn flossy
I know what you like
There ain't no gangsta like me
I'ma give it to you every timeHold up and let me lace up the ten's
I'm only twenty six but so is the rims
I wanna hit the dance floor and thrust my pelvis
I look so good, a million bucks is jealousSo I parked the Huffy, kicked down the kick stand

Payed the twenty dollar cover and I got me a wrist band
Got bitches to my neck like I'm standin' in quick sand
You talk to me twice then you talk to my pimp hand
Got the Lakers jersey, got the platinum chain
Two Bluetooths and a pinky ring
Gettin' drunk as fuck from that Tangeray
Beer goggles on I'm talkin' to a grenade
Yo, Charlie Scene tell me how you got so flossy?
It isn't my fault that all the ladies want me
I just roll with the posse, who's cool like Fonzy
And known to be flashier than paparazzi
Gangsta
Got my diamond earrings
Gangsta
Gonna turn you on
So gangsta
'Cause I want sexy
And I'm gonna beat it up
If you let me
Gangsta
Diamonds all up on me
Gangsta
Gonna turn you on
So gangsta
'Cause I want sexy
And I'm packin' heat
So don't disrespect me
I'm just so damn flossy
I know what you like
There ain't no gangsta like me
I'ma give it to you every time
Freeze, at ease
Let Funny Man bang on these keys
I'm about to get it crackin' and freaky deaky
All the ladies in the world just dyin' to meet me
'Cause nothin' about me is ever cheesy
I'll get you in the bed and make it squeaky squeaky
Lookin' so damn fly as I hit the club
Low ride west side, yes we throwin' it up
Make my way to the dance floor to burn it up
Now go ahead and hit the chorus and turn it up
Gangsta
Got my diamond earrings
Gangsta
Gonna turn you on
So gangsta
'Cause I want sexy
And I'm gonna beat it up
If you let me
Gangsta
Diamonds all up on me
Gangsta
Gonna turn you on
So gangsta
'Cause I want sexy
And I'm packin' heat
So don't disrespect me
I'm just so damn flossy
I know what you like
There ain't no gangsta like me

I'ma give it to you every time I'm just so damn flossy
I know what you like
There ain't no gangsta like me
I'ma give it to you every time Give it to you every
Give it to you every
Give it to you every time
