

# Do You Know, Do You Care?

Phil Collins

You said you would, you didn't and I wanna know why  
And don't make no excuses  
You promised and, you promised and, you better explain  
Tho' I don't know what the use is You said you could, you couldn't, now why did you lie?  
You made it look so easy  
You did it, why do it, what was your point?  
Laughing while you tease me Oh, do you know and do you care? I said "I did, I shouldn't 'cos the magic will go"  
It happened once before  
You'll see it, you'll steal it and take it away  
And then come back for more Don't say you weren't, you were 'cos I saw you myself  
It's too late for your reason  
You're lying, you're lying, you've done it this time  
I'm sick of all the cheating Oh, do you know and do you care? 'Cos I watch you  
Every day I watch you pass me by  
I'll get you, yes in the end I'll get you  
Just watch me try Oh you make it hard to be hard but I'm trying my best  
'Cos down inside I'm burnin'  
You want it, you got it, now take it and run  
I'll hide how much it's hurtin' Oh, do you know and do you care?  
Oh, do you know and do you care?  
Oh, do you know and do you care?
