

# The High

Kat Dahlia

You made your promises  
I've held on believing in all of them  
Love's timeless ; that`s what you said  
So why's your past coming back for its revengeMy arms, yea they're reaching for stars  
But they`re covered in scars  
Oh baby you`re the beating of my heart  
Yea your touch left a mark  
I`m no light I`m no dark  
Oh baby you`re the most important highChorus :  
Baby we fly so high  
Feeling like we could live forever and we`re going straight for heaven  
You and I  
You say it`s alright  
You wipe off the tears from my heart  
You say you`re gonna love me better  
For now and for forever  
You and IYou search for love in vain  
I`m yearning help but babe what would it changeMy arms, yea they`re reaching for stars  
But they`re covered in scars  
Oh baby you`re the beating of my heart  
Yea, your touch left a mark  
I`m no light, I`m no dark  
Oh baby you`re the most important highChorusYou left a stain  
And now I wear it like I`m wearing my own name  
Are we the same  
You throw your spite, I`ll take a bite  
So who's to blame  
We`re back on the highChorusBaby we fly so high  
Feeling like we could live forever and we're going straight for heaven  
You and I  
You say it's alright  
You wipe off the tears from my heart  
You say you're gonna love me better  
For for now and for forever  
Its a lie, but its a lieFeeling like we could live forever and we're going straight for heavenYou and I  
You and I  
You and I  
You and I
