

Living Sacrifice

Soulfly

Feel your soul and let it travel all across the world
It's the journey not the destination as we know
It's the living, it's the living
It's the living sacrifice
It's the living, it's the living
It's the living sacrifice
It's the living, it's the living
It's the living sacrifice
It's the living, it's the living
It's the living sacrifice
Sometimes it feels like we can take no more
Have to find the strength, let the spirit overcome
It's the living, it's the living
It's the living sacrifice
It's the living, it's the living
It's the living sacrifice
It's the living, it's the living
It's the living sacrifice
Frustration, redemption
Salvation, motivation
Inspiration, no temptation
Redemption, salvation
Feel your soul and let it travel all across this world
It's the journey not the destination as we know
Sometimes it feels like we can bring no more
Have to find a home, let the spirit overcome
Learn as if you're going to live forever
Live as if you're going to die tomorrow
Learn as if you're going to live forever
Live as if you're going to die tomorrow
Learn as if you're going to live forever
Live as if you're going to die tomorrow
Learn as if you're going to live forever
Live as if you're going to die tomorrow
