Promise Me

Beverley Craven

You light up another cigarette and I pour the wine
It's four o'clock in the morning and it's starting to get light
Now I'm right where I want to be losing track of time
But I wish that it was still last nightYou look like you're in another world
But I can read your mind how can you be so far away
Lying by my side when I go away, I'll miss you
And I will be thinking of you every night and day justPromise me you'll wait for me 'cos I'll be saving all my love for you
And I will be home soon, promise me you'll wait for me
I need to know you feel the same way too
And I'll be home, I'll be home soonWhen I go away, I'll miss you
And I will be thinking of you
Every night and day justPromise me you'll wait for me 'cos I'll be saving all my love for you
And I will be home soon, promise me you'll wait for me
I need to know you feel the same way too
And I'll be home, I'll be home soonPromise me you'll wait for me 'cos I'll be saving all my love for you
And I will be home soon, promise me you'll wait for me
I need to know you feel the same way too
And I'll be home, I'll be home soon
