

# Promise Me

[Beverley Craven](#)

You light up another cigarette and I pour the wine  
It's four o'clock in the morning and it's starting to get light  
Now I'm right where I want to be losing track of time  
But I wish that it was still last night You look like you're in another world  
But I can read your mind how can you be so far away  
Lying by my side when I go away, I'll miss you  
And I will be thinking of you every night and day just Promise me you'll wait for me 'cos I'll be saving all my  
love for you  
And I will be home soon, promise me you'll wait for me  
I need to know you feel the same way too  
And I'll be home, I'll be home soon When I go away, I'll miss you  
And I will be thinking of you  
Every night and day just Promise me you'll wait for me 'cos I'll be saving all my love for you  
And I will be home soon, promise me you'll wait for me  
I need to know you feel the same way too  
And I'll be home, I'll be home soon Promise me you'll wait for me 'cos I'll be saving all my love for you  
And I will be home soon, promise me you'll wait for me  
I need to know you feel the same way too  
And I'll be home, I'll be home soon
