

# This Is How A Heart Breaks

## Straight No Chaser

Don't you want to go for a ride  
Just keep your hands inside  
And make the most out of life  
Now don't you take it for granted  
Life is like a mean machine  
It made a mess out of me  
And let me come between  
Like an anchor dream, I was stranded  
I was stranded, yeah yeah yeah

And I'm steady though I'm starting to shake  
And I don't know how much more I can take

[Chorus]

Well this is it now  
Everybody get down  
This is all I can take  
This is how a heart breaks  
You take a hit now  
You feel it break down  
Make you stay while I wait  
This is how a heart breaks

Don't you want to go for a ride  
Now to the other side  
Feels so good you could cry  
Now won't you do what I told you  
I remember when you used to be shy  
Once we were so fine, you and I  
And why you gotta make it so hard on me  
Yeah it's hard on me

And I'm sorry but it's not a mistake  
And I'm running but you're getting away

[Chorus]

This is how a heart breaks  
You're not the best thing that I knew

Never was, never cared too much for all this hanging around  
It's just the same thing all the time  
Never get what I want, never get too close to the end of the line  
You're just the same thing that I knew  
Right before the time when I was running from you

[Chorus: x2]

Oh yeah  
This is how a heart breaks  
Oh-oh-oh  
This is how a heart breaks  
I can't take it  
How a heart breaks  
Oh yeah oh yeah oh yeah  
This is how a heart breaks  
This is how a heart breaks  
Oh-oh

This is how a heart breaks  
This is how a heart breaks
