It's All Right with Me

Erroll Garner

Spend my money but love me honey
Break my heart but be my girl
I just want you to be there when I come home
Drive my new car, smoke my cigar
Buy you diamonds and your pearls
Ooh, ooh, treat me like a dog
But throw a little meat on them bones
And it's all right
Yes, it's all right
It's all right with me
And it's all right
Yes, it's all right
It's all right with me
You can hurt me but don't desert me
Leave me runnin' but stay all night

I want you to know your love is what I need
You can use me but don't refuse me
Turn me back but do me right
I just want you to know my love is guaranteed
And it's all right
Yes, it's all right
It's all right with me
And it's all right
Yes, it's all right
It's all right with me
And it's all right
Yes, it's all right
It's all right with me
