

# It's All Right with Me

**Erroll Garner**

Spend my money but love me honey  
Break my heart but be my girl  
I just want you to be there when I come home  
Drive my new car, smoke my cigar  
Buy you diamonds and your pearls  
Ooh, ooh, treat me like a dog  
But throw a little meat on them bones  
And it's all right  
Yes, it's all right  
It's all right with me  
And it's all right  
Yes, it's all right  
It's all right with me  
You can hurt me but don't desert me  
Leave me runnin' but stay all night

I want you to know your love is what I need  
You can use me but don't refuse me  
Turn me back but do me right  
I just want you to know my love is guaranteed  
And it's all right  
Yes, it's all right  
It's all right with me  
And it's all right  
Yes, it's all right  
It's all right with me  
And it's all right  
Yes, it's all right  
It's all right with me
