## **Candy's Going Bad**

## **Golden Earring**

Candy took pearls, got ahead of the girls
Got on top and found the secret entrance

Are you satisfied? Through neon doors across killing floors

She got sucked into a champagne desert

Are you satisfied? Daddy said "I'll break your bones

If you come home dressed in peacock clothes"

Mother said "Quit the show"

She didn't want the neighbors to know

Candy had to quit the showWell Candy didn't care when she started her affair

With the studs and the mares of the night

Are you satisfied? Teddy knows the rule of the underground school

He's got Candy wrapped around his fingers

Are you satisfied? Daddy said "I'll break your bones

If you don't get your tricks off the phone"

Mother said "Quit the show"

She didn't want the neighbors to knowCandy's going bad

Got a room to let

Candy's going bad

Got a pimp named TedCandy's going bad

Long Green's where it's at

Candy's going bad

She got stars in her headCandy took the pearls, got ahead of the girls

Got on top and found the secret entrance

Are you satisfied? Daddy said "I'll break your bones

If you come home dressed in peacock clothes"

Mother said "Quit the show

I don't want the neighbors to know"Candy's going bad

Got a room to let

Candy's going bad

Got a pimp named TedCandy's going bad

Long Green's where it's at

Candy's going bad

She got stars in her headCandy's going bad

Got a room to let

Candy's going bad

She got stars in her head
