Law Dog by Town Mountain

Law dooooooog, barking all around my door.

You tryinâ€™ to tell me how to live my life.

Iâ€™m just tryinâ€™ to make another show.

I ainâ€™t hurtinâ€™ nothinâ€™ Law Dog.

Well, I made my livinâ€™ driving... Iâ€™m a New Grass music man.

Chasinâ€™ the horizon, for another one-night stand.

Iâ€™ve got a lot of miles to travel, and Iâ€™m a runninâ€™ a little late.

A no-show gets me nothinâ€™, so donâ€™t you get in my way.

â€˜Casue I got no time for ya Law Dog.

Law dooooooog, barking around my door.

You tryin to tell me how to live my life.

Iâ€™m just tryin to make another show.

I ainâ€™t hurtinâ€™ nothinâ€™ Law Dog.

Well, I see you on the tree line, youâ€™re sittinâ€™ all alone.

I see you in my rearview, and my heart sinks like a stone.

Grip my wheel just a little tighter, when them blues start spininâ€™ â€˜round.

Seems every time Iâ€™m ridinâ€™ high youâ€™re there to bring me down.

Here we go again Law Dog.

Law dooooooog, barking around my door.

You tryinâ€™ to tell me how to live my life.

Iâ€™m just tryinâ€™ to make another show.

I ainâ€™t hurtinâ€™ nothinâ€™ Law Dog.

So, I pull off on the shoulder, I know it all so well.

Yes, I know how fast Iâ€™m drivinâ€™, Iâ€™m a trained professional.

Give me your little piece of paper, sez my lifestyle has a price.

Well, If you want my moneyâ€! Law Dog, youâ€™re gonna have to catch me twice.

And that ainâ€™t gonna happen Law Dog.

Law dooooooog, barking around my door.

You tryinâ€™ to tell me how to live my life.

Iâ€™m just tryinâ€™ to make another show.

I ainâ€™t hurtinâ€™ nothinâ€™ Law Dog.

I ain't hurtin' nothin' Law Dog.
I ain't hurtin' nothin' Law Dog.
