

SoMo

Fire, fire, fire, fire, fire, fire, fire, fire
Fi-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya
She got that fire, fire, fire, fire, fire, fire, fire, fire
Fi-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-yaShe's the definition of a deadly superstition
She ain't got no opposition, little devil on a mission, eh
 She's burning up
 She's burning up
 She's burning up
She's burning upIf you got an issue, go ahead, take a seat
This is independent baby girl don't miss a beat
Inferno on the dance floor, I'm shaking underneath
F-I-R-E to the core but the girl is so sweet
 She's so sweet, sweet, sweet
 She's so sweet, sweet, sweet
She's so sweet, so sweetShe got that fire, fire, fire, fire, fire, fire, fire, fire
 Fi-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya
She got that fire, fire, fire, fire, fire, fire, fire, fire
Fi-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-yaShe's the definition of a deadly superstition
She ain't got no opposition, little devil on a mission, eh
 She's burning up
 She's burning up
 She's burning up
She's burning upI think I've got an issue, I'm feeling that heat
T-t-tall hotty totty, yes she's working those feet
Infer-inferno on the dance floor, I'm shaking underneath
F-I-R-E to the core but the girl is so sweet
 She's so sweet, sweet, sweet
 She's so sweet, sweet, sweet
She's so sweet, so sweetShe got that fire, fire, fire, fire, fire, fire, fire, fire
 Fi-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya
She got that fire, fire, fire, fire, fire, fire, fire, fire
Fi-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-yaLook at how she switch and make you lose your inhibition
Paying more than your attention, little devil on a mission, eh
 She's burning up
 She's burning up
 She's burning up
 She's burning up
 She's burning up
 She's burning up

She's burning up
She's burning up I don't care about anything but you, you, you, you, you, you
I don't care about anything but you, you, you, you, you, you
