I Put a Spell on You

She & Him

I put a spell on you because you're mine
Ah, you'd better stop the things that you do
I ain't lying, no, I ain't lying
I just can't stand it, baby, the way you're always running 'round
I just can't stand it, the way you always put me down
Yeah, I put a spell on you because you're mine
You're mine, you're mine
I put a spell on you because you're mine
You'd better stop the things that you do
Lord knows, I ain't lying
No, no, no, I ain't lying
I just can't stand it, the way you always put me down
I just can't stand it, the way you're always running 'round
I put a spell on you, ha, ha, because you're mine
You're mine, you're mine
Ain't lying, I love you, I love you, oh, anyhow
I don't care if you don't want me, I'm yours anyhow
I put a spell on you because you're mine
Because you're mine, you're mine, because you're mine
