Sporadic Movement

CKY

vital signs are slow and steady so attentive still not ready as I was just about to say you are the one that's over I am sporadic movement you are sporadic movement hate is turning into hunger just the guy to pull me under I am sporadic movement you are sporadic I involve you the energy dissolves you a transformationa chemical in the brain is so loud decision making, turning inside out what you want nobody else has a swift injection to contain this spazsnakes will burrow through my psyche what it takes to lash a strike and as I was just about to say you are the one that's over I am sporadic movement you are sporadic movement hate is turning into hunger just the guy to pull me under I am sporadic movement you are sporadic I invovle you the energy dissolves you a transformationa chemical in the brain is so loud decision making, turning inside out what you want nobody else has a swift injection to contain this spaz
