Little Boy Sad

Herman's Hermits

You've been lying, been untrue
Now they call me little boy blue
Someday baby, you're gonna find
Nobody in the world's gonna give you loving as sweet as mine

You've been cheating, doing me bad
Now they call me little boy sad
Someday baby, you're gonna see
Nobody in the world's gonna give you loving as sweet as me

Little boy blue, that's my name (that's my name)
Little boy sad, you're to blame (you're to blame)

You've sneaking, doing me dirt
Now they call me little boy hurt
Someday baby, you're gonna find
Nobody in the world's gonna give you loving as sweet as mine

Little boy blue, that's my name (that's my name)
Little boy sad, you're to blame (you're to blame)

You've sneaking, doing me dirt
Now they call me little boy hurt
Someday baby, you're gonna find
Nobody in the world's gonna give you loving as sweet as mine
Nobody in the world's gonna give you loving as sweet as mine
Nobody in the world's gonna give you loving as sweet as mine
