

I Believe I Can Fly

Me First and the Gimme Gimmes

I used to think that I could not go on
And life was nothing but an awful song
But now I know the meaning of true love
And I'm leaning on the everlasting arms
If I can see it, then I can do it
If I just believe it, there's nothing to it
I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
Oh I believe I can fly
See I was on the verge of breaking down
Sometimes silence can seem so loud
There are miracles in life I must achieve
But first I know it starts inside of me
If I can see it, then I can be it
If I can believe it, there's nothing to it
I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly
Could I believe in you?
If I can see it, then I can do it
If I can believe it, there's nothing to it
I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly
I believe I can fly, oh yeah
