

# You Gave Me Nothing

Mark Ronson

That's the last time I'll be hypnotised  
I'll be victimised, Oh Oh Oh  
All the things you used to say to me  
Just to get your way, Oh Oh Oh  
I reached out for your hand  
But you threw it all away  
I'm gonna make you understand  
That you threw it all away  
And if you loved me, you never showed me  
You've got some things to figure out  
And if you loved me, you never told me  
I've got some things to tell you 'bout  
You're not my baby  
'Cos you gave me nothing to hold on to  
You're not my baby,  
'Cos you gave me nothing to hold on to  
And I tried  
And I tried  
But you gave me nothing that I could hold on to  
Now I know that you were in disguise  
Only told me lies, Oh Oh Oh  
Never really looked me in the eyes  
Better say goodbye, Oh Oh Oh  
I reached out for your hand  
But you threw it all away  
I'm gonna make you understand  
That you threw it all away  
And if you loved me, you never showed me  
You've got some things to figure out  
And if you loved me, you never told me  
I've got some things to tell you 'bout  
You're not my baby  
'Cos you gave me nothing to hold on to  
You're not my baby,  
'Cos you gave me nothing to hold on to  
And I tried  
And I tried  
But you gave me nothing that I could hold on to

You'll never know  
How it feels to be me, how it feels to be me, Oh Oh Oh  
I'll never know  
How it feels to be you, how it feels to be you, Oh Oh Oh  
You'll never know  
How it feels to be me, how it feels to be me, Oh Oh Oh  
I'll never know  
How it feels to be you, how it feels to be you, Oh Oh Oh  
You're not my baby  
'Cos you gave me nothing to hold on to  
You're not my baby,  
'Cos you gave me nothing to hold on to  
And I tried  
And I tried  
But you gave me nothing that I could hold on to
