

Behind the Mask

Eric Clapton

All along, had to talk about it
Like a two-edged sword, he touched you and it stabs me
All along, knew you were a phony girl
Sit behind the mask where you control your world Yesterday he had you in his arms
When I'm holding you, I feel his bitter charms
I can't judge what you do to me
Camouflage the truth, indulge your fantasy Who do you love?
Is it me now, is it him babe? I don't know
Who do you love?
Is it me babe, is it him now? I don't know There is nothing in your eyes that's the way you cry
All is grand, all is bright, you're just studying my mind
There is nothing in your eyes that's the way you cry
All is grand, all is bright, you're just studying my mind Was I invited to your masquerade?
Well the party's over so now take off your face
You say you love, but it's hard to see
When you're in his arms, throwing rocks at me Who do you love?
Is it me now, is it him babe? I don't know
Who do you love?
Is it me babe, is it him now? I don't know There is nothing in your eyes that's the way you cry
All is grand, all is bright, you're just studying my mind
There is nothing in your eyes that's the way you cry
All is grand, all is bright, you're just studying my mind I walk around suffering in my doom
When I come to you, you're sitting in your room
The truth is news, I have longed to trace
So take off the mask so I can see your face Who do you love?
Is it me baby, is it him now? I don't know
Who do you love?
Is it me babe, is it him baby? I don't know
Who do you love?
Is it me babe, is it him now? I don't know
Who do you love?
Is it me now, is it him baby? I don't know Who do you love?
Is it me baby, is it him now? I don't know
Who do you love?
Is it me baby, is it him now? I don't know
Who do you love?
Is it me baby, is it him? I want to know
Who do you love?
