

# Standing In The Way Of Control

## Gossip

Your back's against the wall  
There's no one home to call  
You're forgetting who you are  
You can't stop crying It's part not giving in  
And part trusting your friends  
You'll do it all again  
And I'm not lying Standing in the way of control  
Go and live your life  
Survive the only way that you know, know I'm doing this for you  
Because it's easier to lose  
And it's hard to face the truth  
When you think you're dying It's part not giving in  
And part trusting your friends  
You'll do it all again  
But you don't stop trying Standing in the way of control  
Go and live your life  
Survive the only way that you know, know Standing in the way of control  
We live our lives  
Because we're standing in the way of control  
We will live our lives Because we're standing in the way of control  
We live our lives  
Because we're standing in the way of control  
We will live our lives, lives, lives Your back's against the wall  
There's no one home to call  
You're forgetting who you are  
You can't stop crying It's part not giving in  
And part trusting your friends  
You do it all again  
You don't stop trying Standing in the way of control  
Go and live your life  
Survive the only way that you know, know
