Alive

Israel & New Breed

From one generation to another
We declare the famous name Jesus
Celebrate His resurrection power
Gave His life so we can live in freedomIn every nation He is alive
In every language it's the same hallelujahHallelujah, hallelujah
Hallelujah, hallelujah, Jesus is alive
Hallelujah, hallelujah
Hallelujah, hallelujah, Jesus is aliveAlive, alive all over the world
Alive, alive, alive all over the world
Alive, alive, alive all over the world
Alive, alive, aliveFrom one generation to another
