

# Stand By Me

## Sister Rosetta Tharpe

When I'm crossing Jordan river, stand by me  
She's a breast, to be my pillow, stand by me  
Now the water is chilly and cold, the love of Jesus is in my soul  
Like a flash, thunder rolls, stand by me  
Through hard tries and tribulations, stand by me  
The midst of false accutations stand by me  
When trouble like a gloomy cloud, gathers thick and thunder loud  
Now who never knows the battle, stand by me  
When the devil tries to take me, stand by me  
And my earthly friends forsake me, stand by me  
And I'm travelling through the flame, trying to do the best that I can  
Although my friends misunderstand, stand by me  
In travelling through this world of troubles, stand by me  
When we must close our books and bibles, stand by me  
Now we come in down to die, Jesus take me home on High  
Just to reign with you above the sky, stand by me
