

Mommy Where's Daddy

Red Hot Chili Peppers

Mommy, where's daddy?
Mommy, where's daddy?
Right here, girl Oh, sweet thing, you look so sad
Cheer up, don't you know your dad is bad
Give daddy a kiss, girl
Oh, dad Well, there ain't no problem, I can't face
[Incomprehensible], your daddy's got a bigger bag of tricks
Come, give daddy a kiss, girl
Oh, dad Mommy, where's daddy?
Mommy, where's daddy? Come on, sit on your daddy's lap
'Cause I'm the one who pats your back
Come, give daddy a kiss, girl
Oh, dad Well, lemme see now where to begin
Well, lemme start by tuckin' you in
Come, give daddy a kiss, girl
Oh, dad Mommy, where's daddy?
