

# Fall Down

[will.i.am](http://will.i.am)

(feat. Miley Cyrus)

You make my world, you make my world go 'round  
You turn me up, you turn me upside down  
You make my world, you make my world go 'round  
You get me off, you get me off the ground

You pick me up when I fall down  
You pick me up when I fall down

Girl, you're like an elevator cause you always pick me up  
Girl, you're like a doctor when I'm sick you always stitch me up  
You can be my DJ, I'm your record, come on mix me up  
You can be my lollipop, lemme, lemme lick you up

On the bottom, on the top, baby, lemme flip you up  
You can be my soda pop, Coca Cola sip it up  
Whip cream, whip it up, strip on, zip it up  
I could be your chip, you can be my dip, lemme dip it up

You make my world, you make my world go 'round  
You turn me up, you turn me upside down  
You make my world, you make my world go 'round  
You get me off, you get me off the ground

You pick me up when I fall down  
You pick me up when I fall down  
You pick me up when I fall down  
You pick me up when I fall down

Boy, you're like an elevator cause you always pick me up  
Boy, you're like my doctor, when I'm sick, you always stitch me up  
You could be my DJ, I'm your record come on mix me up  
Boy, just be my lollipop, lemme, lemme lick you up

Always on my membrane, I love you so I give it up  
Lets visit all the places that's exquisite let's go live it up  
Walking down lover's lane, flying in an airplane  
Boy you get me higher, like your nickname was Mary Jane

You make my world, you make my world go round  
You turn me up, you turn me upside down  
You make my world, you make my world go round  
You get me off, you get me off the ground

You pick me up when I fall down  
You pick me up when I fall down  
You pick me up when I fall down  
You pick me up when I fall down

Fall down  
You pick me up when I fall down  
You pick me up when I fall down  
You pick me off the ground  
When I'm down, down, down...
