

Jingalin'

Ludacris

They jingalin' baby, go head baby
They jingalin' baby, go head baby
They jingalin' baby, go head baby
They jingalin' baby
Jingalin', jingalin', jingalin', she jingalin'
Jingalin', jingalin', jingalin', ooh she jingalin'
Jingalin', jingalin', jingalin', go head, she jingalin'
Jingalin', jingalin', jingalin', go head, she jingalin'
Go head baby, go head baby, do that shit, now jiggle
Go head baby, go head baby, do that shit, now jiggle
Go head baby, go head baby, jiggle it, now that do that shit
Jiggle it baby, jiggle it baby
She jingalin', she too legit
She seems to know, just what to do with it
She proud of it, other women gotta really acknowledge it
Cause when she hit that stripper pole, her booty swallow it
So go girl, go get it, go girl, go kill it
See if your girl went my girl
Your girl gon' get the business and
We gon' take a sip of that potion
Put some things in motion, we gone slice hood, and dice hood
And bust the bitch wide open cause its
Freaks Anonymous united here
You niggas ain't invited here
I got me a girl from the ghetto
Now jingle that shit like it's jello
Jingalin', jingalin', jingalin', she jingalin'
Jingalin', jingalin', jingalin', ooh she jingalin'
Jingalin', jingalin', jingalin', go head, she jingalin'
Jingalin', jingalin', jingalin', go head, she jingalin'
Go head baby, go head baby, do that shit, now jiggle
Go head baby, go head baby, do that shit, now jiggle
Go head baby, go head baby, jiggle it, now that do that shit
Jiggle it baby, jiggle it baby
I'm claiming it plus she aiming it
Right at me so I could, put my name on it
She banging it, trap star she sanging it
She go to work, and put all these women to shame with it
And damn the girl so 'bout it, yeah the crown she got it

She be jigglin so much, she got me diggin' in all of my wallet
I'm like ooh the girl deserve it, man, nobody so perfect
When she step out in the club,
Every single one of you bitches get murdered
So you best come with your A game
Cause I'm longer than freight train
So girl you know better than to be teasing me with that thang thang
I'll bang out that headboard so much, we'll make the bed ache
Now jangle till you get a head ache
Jingalin', jingalin', jingalin', she jingalin'
Jingalin', jingalin', jingalin', ooh she jingalin'
Jingalin', jingalin', jingalin', go head, she jingalin'
Jingalin', jingalin', jingalin', go head, she jingalin'
Go head baby, go head baby, do that shit, now jiggle
Go head baby, go head baby, do that shit, now jiggle
Go head baby, go head baby, jiggle it, now that do that shit
Jiggle it baby, jiggle it baby
Yeah, gon' jingle with the mister
Jingle with your momma, jingle with your sister
Like, yeah, gonna jingle for some ends
Jingle with your cousin, jingle with your friends like
Jingle, jingle, jingle, jingle, jingle, jingle
Make it clap, make it clap, make it clap, make it
Jingle, jingle, jingle, jingle, jingle, jingle
Make it clap, make it clap, make it clap, make it
That girl hella bad, I wanna pop Helitab
The way that booty propels it needs a helipad
Or Atlanta Strip, they don't need to panic trick
Drop that apple bottle right down on my banana clip
I cock it aim it and shoot it
So insane how you move it, love it how you drop it like it's hot
Then take a little time off and just cool it
Cause it needs some time to breathe
Gonna give it a squeeze, cause them lips, hips, thighs
And even them double D's they be
Jingalin', jingalin', jingalin', she jingalin'
Jingalin', jingalin', jingalin', ooh she jingalin'
Jingalin', jingalin', jingalin', go head, she jingalin'
Jingalin', jingalin', jingalin', go head, she jingalin'
Go head baby, go head baby, do that shit, now jiggle
Go head baby, go head baby, do that shit, now jiggle
Go head baby, go head baby, jiggle it, now that do that shit
Jiggle it baby, jiggle it baby
