Paradise Lost

Denying our restlessness
Frustrations tension eludes
The past was clean
Where thoughts were mild
The present day horrors aliveSlowly passing timeless horrorsLives within all tears
The mourning in my tears
Drown all the past
We lived beneath these years
Awaiting for the call
For all life to expire
Passive to this day
To infinity we'll failThe light is dim before us
Shadows appear and fall
A barrage of savage ways
Only the darkness can filter through
