## Paradise Lost

Denying our restlessness  
Frustrations tension eludes  
The past was clean  
Where thoughts were mild  
The present day horrors alive Slowly passing timeless horrors Lives within all tears  
The mourning in my tears  
Drown all the past  
We lived beneath these years  
Awaiting for the call  
For all life to expire  
Passive to this day  
To infinity we'll fail The light is dim before us  
Shadows appear and fall  
A barrage of savage ways  
Only the darkness can filter through
