

Every Little Bit Hurts

Alicia Keys

Every little bit hurts
Every little bit hurts
Every night I cry
Every night I sigh
Every night I wonder why
You treat me cold
Yeah, you won't let me go

Every little hurt counts
Every little hurt counts
You say you're coming home
Yet you'd never phone
Leave me all alone
My love is strong for you
I'd do wrong for you

I can't take this loneliness you've given me
I can't go on giving my life away
Come back to me
Darling you'll see
I can give you all the things that you wanted before
If you will stay with me

Every little bit hurts
Every little bit hurts
To you, I'm a toy
And you're the boy
Who has to say
What I should play
Yeah, you hurt me
Desert me

Come back to me
Darling, you'll see
I can give you all the things that you wanted before
If you will stay with me

Every little bit hurts
Every little bit hurts
Every little bit hurts

Every little bit hurts
