

# Kihei Town

## The Throwdowns

You wrecked your car, Wakea  
I picked up you up, Don't pay a  
Mind to the fact, That you are  
So damn high

Messes you up, Yeah me too  
Don't pay a mind, To thank you  
This is today, It could be  
Any day

[Chorus:]

In Kihei town, Stumble around  
Your O.C.D., Keeps you so busy  
And though it's home, You gotta go,  
Add that to rows of, Things that we all know

Don't have the time, For breakthroughs  
Get in the car, I'll make you  
We can take off, And drive it  
Overseas

Headin' on up, Toronto  
Will we go there, I don't know  
This is today, It could be  
Any day

[Chorus]

Oh, oh oh oh, oh-oh-oooh, Oh, oh oh oh, oh-oh-oooh. x2

[Bridge]

Come follow me, Come  
Follow me  
Though the dark creeps behind you  
Come follow me, Come  
Follow me  
No ka oi, To remind you  
oh, oh ooooooh

[Chorus]

[Repeat Chorus with "Oh, oh oh oh, oh-oh-oooh's" in background]
