Homeless Heart

Doug & Deb

Thinking of giving up,
All hope is gone.
Canâ€™t take the pain youâ€™re feelinâ€™ inside.

Hold on Iâ€™ve been there,
Donâ€™t dare give up.
Feels like youâ€™re barely breathing had enough.

Thereâ€™s no where else to turn to,
Your worldâ€™s forgotten you.
Needing real help and answers, right now.

Heâ€™s outside waiting,
Your brand new start.
Answer His calling.
The shelter, for your homeless heart.

When my heart was hurting,
Needing repair.
Asked Him to save me, He still lives there.

Within His presence,
Acceptance, peace of mind.
Safely protected in His Book of Life.

How can He be your answer
and take you as you are?
Open your heart and let Him heal your scars.

Heâ€™s outside waiting,
Your brand new start.
Answer His calling.
The shelter, for your homeless heart.

Heâ€™s outside waiting,
Your brand new start.
Answer His calling.
The shelter, for your homeless heart.
