

Love Is Blind

Nick Fradiani

I've never lived a simple life
I just got one confession
With you I start to question
Every single thing I thought was right
I may never learn my lesson
But you are my only heaven You and me
Is everything I need
Is everything I want
But I want to believe
That when they say love is blind
That I see
Every time you smile
When they say only fools rush in
That I may be foolish to know what forever is I know love can be a scary thing
But you are more than worth it
Girl I ain't even nervous
Your touch it makes the fire burn
And now that this fire's rolling
I keep on wantin' more of You and me
'Cause it's everything I need
It's everything I want
And I want to believe
That when they say love is blind
That I see
Every time you smile
When they say only fools rush in
That I may be foolish to know what forever is Oh
Oh oh oh oh oh oh oh oh oh oh
Singing oh
Oh oh oh oh oh oh oh oh oh oh I've never lived a simple life
But you are my only heaven
You are my only So when they said love is blind
That I see
Every time you smile
When they say only fools rush in
Then I may be foolish
To know what forever is Oh (ooh)
Oh
They say love is blind

Oh
Oh oh oh oh oh oh oh oh oh oh
