

Up On A Mountain

The Welcome Wagon

I think about those better days
I didn't know these evil ways
Love and hate and jealousy
Came and got the best of me
Late at night I lie in bed
And fight the fight inside my head
I think it's time to put it down
And get myself back on the ground
Oh no
Oh no
This ain't what I came here for
I'm goin' up on the mountain
Up on the hill
Lay down by the river
Let the water be still
I'll open my eyes
See what I see
I've got to find out
What is you
And what Is me
I used to know how to feel
Somethin' tells me this ain't real
On the phone ain't nothin' said
It's off the hook the line is dead
Things you want things you need
I ain't got and ain't guaranteed

I'm breakin' loose it's buildin' up
And I can't leave here soon enough
Oh no
Oh no
This ain't what I came here for
I'm goin' up on the mountain
Up on the hill
Lay down by the river
Let the water be still
I'll open my eyes
See what I see
I've got to find out

What is you
And what Is me
 Oh no
 Oh no
This ain't what I came here for
I'm goin' up on the mountain
 Up on the hill
 Lay down by the river
 Let the water be still
 I'll open my eyes
 See what I see
 I've got to find out
 What is you
 And what Is me
