Faithful

Hawk Nelson

You never promised me that this would be easy
I never knew that anything could be this hard
I wanna trust that You know what You're doin'
But right now, I'm just fallin' apart
It's hard to see it when I'm livin' in the moment
But Your love's still written on my heart
I get lost when I feel the wind blowin'
I gotta cling to who You are'Cause You are good
Even when You're not understoodNo matter how many skies fall down
I'm covered under the peace I've found
You're my shelter when there's nowhere else to go
No matter how many times I break
You promise always to keep me safe
You're my rescue when I'm spinning outta control
You are faithful, faithful
You are faithful, faithfulI'm leaving doubt and sorrow in the distance
I'm gonna trust, and cast my fears aside
My life's a work that I know You'll finish
I know I'm gonna be alrightIt's You I'll chase
Even when I can't see Your faceNo matter how many skies fall down
I'm covered under the peace I've found
You're my shelter when there's nowhere else to go
No matter how many times I break
You promise always to keep me safe
You're my rescue when I'm spinning out of control
You are faithful, faithful
You are faithful, faithful
You are faithful, faithful
You areAnd oh, oh, oh, oh
My God is always faithful
Oh, oh, oh, oh, oh
(My God, my God)
And oh, oh, oh, oh
My God is always faithful
Oh, oh, oh, oh, oh
(My God, my God)No matter how many skies fall down
I'm covered under the peace I've found
You're my shelter when there's nowhere else to go
No matter how many times I break

You promise always to keep me safe
You're my rescue when I'm spinning outta control
Lord, you are faithful, faithful
You are faithful, faithful
You are faithful, faithful
You are
Oh, You are faithful, faithful
You are faithful, faithful
You are faithful, faithful
You are
