

# You've Been Gone Too Long

[Nina Simone](#)

You've been gone too long, you've been gone much too long  
Baby I'm tellin' you, you've been gone too long Now I've got a guy loves to stay home at night  
He really knows how to treat me right You've been gone too long, you've been gone too long  
Baby I'm tellin' you, you've been gone too long Now, you went out with Ruth and you know that's the truth  
You went out with Flo, and she ain't so slow Oh, you've been gone too long, you've been gone too long  
Baby I'm tellin' you, you've been gone too long Now let me tell you baby, don't you push me around  
Just do yourself a favor and get out of town You've been gone too long, yes, you've been gone too long  
Baby I'm tellin' you, you've been gone too long  
You've been gone too long, you've been gone much too long
