

# Operator (12" Mix) [Bonus Track]

## Midnight Star

(Would someone please hang up on that...)  
{ We're sorry, you must first dial a 1 when calling this number } Operate that body, operate on me  
Operate that body, take control of me  
Operate that body, operate on me  
Take control of that body, take control of me I called my baby, up on the telephone  
I get connected to a freaky zone  
The conversation was strictly void  
Said, if you don't join the party, go home The operator said this was no mistake  
I've been connecting every move you made  
I hope you're ready to do me right  
I want to operate my love tonight [Chorus: ]  
Operator, this is an emergency  
Operator, (baby, burning up on me)  
Operator, this is an emergency  
Operator Operate that body, operate on me  
Operate that body, take control of me  
Operate that body, operate on me  
Take control of that body, take control of me Person-to-person is how it's got to be  
Just one-on-one, baby, you and me  
Computer freakin' all night long  
And you can bet that all my circuits are strong Just call me up, 'ever you find the time  
We'll get together on the party line  
Let's take our time and do it right  
We're gonna operate our love tonight [Chorus: ] Call me up anytime (anytime)  
I'm all in the mix because it's party time (I'm gonna take my time)  
...gonna do it right (do it right)  
I'm gonna operate your love tonight [Chorus: ] The operator was busy at the time  
She told me, hold, please, on the telephone line?  
I told her, hurry up 'cause I ain't got much time?  
It's an emergency, I spent my last dime  
I need a, I need a, I need a [Chorus: Repeat 2X]
