Family Man

Blackfield

Breath in
Breath out
You had your shot you blew it all
Right now
Dead end
Your rescue team is miles awayPeople talk behind your back
In idle news become a clown
For those you despise, those you never count
They cheered you while you crashedChasing your dreams
Paying your bills
Here you go again
Definite sign
You are around
No itÃ¢Â€Â™s not a shame to be a family manStand still
Slow down
You had your shot you blew it all
Right now
Dead end
Your rescue team is miles awayHard boy
Blank heart
How shallow can you get?
Stand still
Slow down
Where else can you go?Chasing your dreams
Paying your bills
Here you go again
Definite sign
You are around
No itÃ¢Â€Â™s not a shame to be a family man
