# Side to Side

## Shannon Mcarthur

Hey girl come on out and dance yeah we could run away, we could get lost in the crowd,
Hey girl come on out and dance yeah we both know the words so we could sing it aloud,
You know the , I know the verse,
So we got both parts now, no need to rehearse,
So your little hand yeah, just put it in mine,
I'm gonna swing you from side to side,Don't you love it? we both know it, we got these feelings deep inside, ain't no use in tryin' to hide it away,
Hey girl ooh I like your dress and the face that you make when I've had too much to drink,
Ain't got no one to impress but the girl in the mirror, you don't care what they think,
If you wanna dance until the stars come out tonight,
For you I will do that girl, I'll dance until daylight,
Don't you love it? we both know it, we got these feelings deep inside, ain't no use in tryin' to fight it away, no I won't fight it,Heartbeat it makes me feel alright
Now you ease up, don't put up a fight now,
Here I am the guy from out of town now
You don't care, you just wanna dance tonight,
You just wanna dance tonight,
La da da da da,
La da da da da,
Da da da da da da da,
La da da da da da dat da da dum da,
Da da dum
