

So Far Away

Jessie Mueller

So far away, doesn't anybody stay in one place anymore
It would be so fine to see your face at my door
Doesn't help to know ur just time away Long ago I reached for u and there u stood
Holding u again could only do me good
How I wish I could, u'r so far away
One more song about moving along the highway Can't say much of anything that's new
I could only work this life out my way
I'd rather spend it being close to you
But u'r so far away
