

# So Far Away

Jessie Mueller

So far away, doesn't anybody stay in one place anymore

It would be so fine to see your face at my door

Doesn't help to know ur just time awayLong ago I reached for u and there u stood

Holding u again could only do me good

How I wish I could, u'r so far away

One more song about moving along the highwayCan't say much of anything that's new

I could only work this life out my way

I'd rather spend it being close to you

But u'r so far away
