

# Zoe Jane

## Staind

Well I want you to notice  
To notice when I'm not around  
I know that your eyes  
See straight through me  
And speak to me  
Without a sound I wanna hold you  
Protect you  
From all of the things  
I've already endured  
And I wanna show you  
To show you  
All the things  
That this life has in store for you  
I'll always love you  
The way that a father  
Should love his daughter When I walked out this morning  
I cried as I walked to the door  
I cried about how long I'd be away for  
Cried about leavin' you all alone I wanna hold you  
Protect you  
From all of the things  
I've already endured  
And I wanna show you  
To show you  
All the things  
That this life has in store for you  
And I'll always love you  
The way that a father  
Should love his daughter Sweet Zoe Jane  
Sweet Zoe Jane So I wanted to say this  
'Cause I wouldn't know where to begin  
To explain to you what I have been through  
To explain where your Daddy has been So I wanna hold you  
Protect you  
From all of the things  
I've already endured  
And I wanna show you  
Show you  
All the things

That this life has in store for you  
And I'll always love you  
The way that a father  
Should love his daughter Sweet Zoe Jane  
Sweet Zoe Jane
