

# You Are My Song

Martin Nievera

You are the song  
Playing so softly in my heart  
I reach for you  
You seem so near  
And yet so far  
I hope and I pray  
You'll be with me someday  
I know down inside  
That you are mine & I'm your true love  
Or am I dreaming...How can I  
Each time I try to say goodbye  
You were there  
You look my way I touch the sky  
We can share tomorrow and forevermore  
I'll be there  
To love you so  
You are my song I know for sure  
That we were meant to fall in love  
I look in your eyes  
I know what you're thinking of  
I try not to say  
The words that might just scare you away  
I know down inside  
That you are mine & I'm your true love  
Please, no more dreaming...How can I  
Each time I try to say goodbye  
You were there  
You look my way I touch the sky  
We can share tomorrow and forevermore  
I'll be there  
To love you so  
You are my song Maybe we can last until forever  
And I know that we can make it through  
With you in my heart, in my soul, you're my love  
You're my song You are my song We can share tomorrow and forevermore  
I'll be there  
To love you so  
You are my song!
