

Sweet Dream

Jethro Tull

You'll hear me calling in your sweet dream
Can't hear your daddy's warning cry
You're going back to be all the things you want to be
While in sweet dreams you softly sigh
You hear my voice is calling to be mine again
Live the rest of your life in a day
Get out and get what you can
While your mummy's at home a-sleeping
No time to understand
'Cause they lost what they thought they were keeping
No one can see us in your sweet dream
Don't hear you leave to start the car
All wrapped up tightly in the coat you borrowed from me
Your place of resting is not far
You'll hear my voice is calling to be mine again
Live the rest of your life in a day
Get out and get what you can
While your mummy's at home a-sleeping
No time to understand
'Cause they lost what they thought they were keeping
Get out and get what you can
While your mummy's at home a-sleeping
No time to understand
'Cause they lost what they thought they were keeping
