

# The Same

## The Pixels

Things havent changed  
You havent changed  
And I havent changed  
Things that you say  
You want to change  
You havent changed  
Youre still the same

The words that you never approve of  
The way that you call out my name  
The lies that you tell to protect me

The same

Playing in your little games  
You try to make me go crazy  
Im stronger then i was before  
You tried but you failed me  
And this time im ready for war

Things havent changed  
You havent changed  
And I havent changed  
Things that you say  
You want to change  
You havent changed

Youre still the same

The time that we wasted on our fighting

The same

The things that we argue about  
Excuses you give about everything  
The reasons i give why i shout  
And how things could have been better  
If i never met you before  
You try but your failing me  
And this time im ready for war

Things havent changed  
You havent changed  
And I havent changed  
Things that you say  
You want to change  
They stay the same

Things havent changed  
We just stay the same  
You havent changed  
I havent changed  
We havent changed  
Were just the same
