## Deer Tick

Take your time  
But if you waste it  
    Take mine too  
    I don't mind  
As long as you let me into your mind  
My brain's a hazy place these daysTake your clothes off  
    Climb up into my bed  
    I'll take your money  
    I'll steal your oxygen  
    Can you see  
All of my boundless treacheryI fell to zero, at least it must have been  
    You're just a hero, I need a heroin(e)  
Unchained black melodies gaining strainI don't mind but certainly  
    I don't mean to boast  
    But you're divine  
    You got me feelin' comatose  
My friend, I fear we're drawing near the end  
    I watch the shadows  
    They dance across the wall  
    I follow blindly  
    Chased them down the hall  
    I see monsters in my periphery
