

Habibi (Brand New Day)

Massari

If my life was a dream
Would you come and sleep beside me
If it's real how it feels
Would you stay right here with me
Fantasies of your love
Girl I'm so glad that I found you
I would dance to the sound
Of your heartbeat everyday
If I had the chance to make you understand too
Maybe I would find the words to say
You know where I want it
I can see you glowing
Baby it's a brand new
Brand new dayHabibi habibi I [x3]
Want you so bad
Habibi habibi I [x3]
Losing my mindIf my life was a dream
Would you fall asleep to find me
It's so real how it feels
Baby stay right here with me
Fantasies of your love
Searching my whole life to find you
I would sleep to the sound
Of your heartbeat everydayIf I had the chance to make you understand too
Maybe I would find the words to say
You know where I'm going
I can see you glowing
Baby it's a brand new
Brand new dayIf I had the chance to make you understand too
Maybe I would find the words to say
You know where I'm going
I can see you glowing
Baby it's a brand new
Brand new dayHabibi habibi I [x3]
Want you so bad
Habibi habibi I [x3]
Losing my mind
